**Poem**

Now a poem  
is just this,  
an idea waiting to exist.

To be born in time  
of a curious mind,  
adorned with rhythm and rhyme  
adorned with rhythm and rhyme.

Now a poem  
will always be,  
words that dance so eloquently.

On the tongues of the young  
begging to be sung,  
like a tune that quickly comes  
like a tune that quickly comes.
