10)

female teacher

l astmraae

11)

Poem

Now a poem
is just this,
an idea waiting to exist.

To be born in time
of a curious mind,
adorned with rhythm and rhyme
adorned with rhythm and rhyme.

Now a poem
will always be,
words that dance so eloquently.

On the tongues of the young
begging to be sung,
like a tune that quickly comes
like a tune that quickly comes.

By Gregory Denman
